Statement by H.E. Dr. Mariyam Shabeena Ahmed

High Commissioner of the Maldives to Malaysia

Assalamu'alaikum. I am Dr. Mariyam Shabeena Ahmed. I consider it a great pleasure and honour to be appointed by the President of the Republic of the Maldives to the post of High Commissioner of the Maldives to Malaysia.

Since 1999, I have served in various government institutions. Over the past twenty-five years, I have gained a wealth of experience in higher education and health. There is no doubt that these experiences will pave the way for me to work in the foreign service.

Malaysia is home to many students and families from the Maldives. Many Maldivians travel to Malaysia for education, business, as tourists, and other purposes.

I have completed the last phase of my academic life in Malaysia. Thus, it is very easy for me to understand the difficulties faced by Maldivians residing in Malaysia.

As a High Commissioner, I will continue to work diligently and sincerely to carry out His Excellency, President Dr. Mohamed Muizzu's policies, such as enhancing trade and economic ties between the two nations, fortify bilateral ties and providing consular assistance to Maldivians travelling to and residing in Malaysia.
